

Class Instructions for Oct 17, 2017

Prior to Class:

Under Vertebrate Pest Module, read the Overview and Chapter 18 (Vertebrate Pest Management) from on-line Blackboard or thumb drive.

- <http://wdfw.wa.gov/living/mammals.html>
- The site listed above is a great site and answers all sorts of questions and gives you the legalities of living with wildlife in Washington State.

Morning Class:

Vertebrate Pests.

Lunch – We will carpool to a have lunch at a Chinese Buffet up North off I-5.

Afternoon Class:

Tour of Puyallup Diagnostics Lab given by Jenny Glass. Directions will be provided the day of class.

If you have any problems or questions especially with Blackboard, please contact me via e-mail art.fuller@lewiscountywa.gov or call the office 360-740-1216.

WSU Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local WSU Extension office. Individuals in need of special assistance, should contact the Extension office at least two weeks prior to the event.
