

BECOME A WSU LEWIS COUNTY MASTER GARDENER!

The WSU Extension Master Gardener Program trains volunteers to be effective community educators in home gardening and environmental stewardship.

The purpose of the WSU Extension Master Gardener Program is to provide public education in home gardening and environmental stewardship generated from research at WSU and other university systems.

Volunteers are trained by WSU faculty and staff to be community educators on issues of importance in their local communities to enhance natural resources, sustain communities and improve the health and wellness of WA residents.

Gardening for Everyone is one of many of the community gardening education programs of the WSU Lewis County Master Gardeners.

Contact us today to learn how you can join us. Enrollment is open year round. Call Art at (360) 740-1216 or email art.fuller@lewiscountywa.gov

Master Gardener Volunteer

TRAINING PROGRAM

JOIN THE PROGRAM ANYTIME

Year-round enrollment

Once-a-month class

*third Tuesday of every month
for 11 months*

\$200 enrollment fee

(\$50 reimbursement after certification)

The WSU Extension Master Gardener program is open to everyone with an interest in gardening and a willingness to use their knowledge, experience, and enthusiasm to make a positive impact on their local community.

Training consists of on-line computerized course materials as well as once-a-month, face-to-face working sessions to incorporate practical, hands-on experience with the on-line training.
